

# GIRL SCOUT COOKIES MAKE CONFIDENT GIRLS!

The Girl Scout Cookie Program is more than just delicious cookies. When you make a Girl Scout cookie purchase, you're helping the next generation of girl entrepreneurs get an important taste of what it takes to be successful—teamwork, planning, and a positive outlook (for starters).

- 1** **Girls learn business skills** such as money management, customer service, and to be resilient.
- 2** **Troops earn funds for activities** such as troop trips, community service, outdoor adventures, and programs like STEM, life skills, outdoors, and more.
- 3** **It keeps Girl Scouts affordable.** Funds from the Cookie Program help to subsidize the cost of camp, provide resources to girls and volunteers, and offer grants to families who need financial assistance.

## How the Cookie Crumbles

All cookie proceeds (more than 70% of each package sold) stay local and help support local Girl Scouts and troops!

***“I like having my own ‘business’ and earning money for the troop.”***

# BE A GIRL SCOUT!

Where else can your girl learn in an all-girl setting and try new things like coding robots, pitching a tent, or creating a musical instrument—all while making new friends, and building the skills she needs to shine today and tomorrow?

*Girls say it's fun. Parents say their girls **make memories and learn skills that last a lifetime.***

## Ways to Be a Girl Scout

### Attend events and meet unique challenges.

Girl Scout events are a great way to seek healthy challenges, build new skills, earn badges and awards, and meet girls from across our council.

### Go to camp and find yourself outdoors.

Our summer camps allow girls to explore their interests, learn about the natural world, and find adventure while enjoying the breathtaking scenery at our facilities.

### Join a troop and build lifelong friendships.

Girls work with their troops on skill building, leadership, and service projects while having fun with their friends.
