PRINCESS PAT

This is a repeat-after-me song!

The Princess Pat	*(make a crown over head with hands)*
Lived in a tree	*(put hands together over head)*
She sailed across	*(make a sailing motion with hands)*
The seven seas.	*(hold up the number seven)*
She sailed across	*(make a sailing motion with hands)*
The channel too.	*(hold arms out in front of body)*
And she brought with her,	*(motion like throwing a sack over shoulder)*
A ric-a-dam-doo	*(twist body down)*

Chorus

A ric-a-dam-doo	*(twist body down)*
Now what is that?	*(right hand out to the side, followed by left)*
It's something made	*(motion like sewing with a needle)*
By the Princess Pat	*(make a crown over head with hands)*
It's red and gold	*(right hand out to the side, followed by left)*
And purple too	*(make the the number 2 with fingers)*
That's why it's called	*(cup hands in front of mouth)*
A ric-a-dam-doo	*(twist body down)*

Now, Captain Jack	*(salute)*
Had a mighty fine crew	*(flex muscles)*
They sailed across	*(make sailing motion with hand)*
The channel, too.	*(hold arms out in front of body)*
But their ship sank	*(plug nose and raise one arm, twist down)*
And yours will too	*(make a scolding motion)*
If you forget	*(touch finger to head, then move it away)*
A ric-a-dam-doo	*(twist body down)*

Repeat Chorus

THE HIPPOPOTAMUS SONG

What can make a hippopotamus smile?
What can make her walk for more than a mile?
It's not a party with a paper hat,
or cake and candies that will make her fat.
That's not what hippos do.

Chorus
What do they do?
They ooze through the gooze without any shoes,
Wade through the water 'til their lips turn blue,
That's just what hippos do.

What can make a hippopotamus smile?
What can make her walk for more than a mile?
It's not a tune on the old violin, or listening to the whistling wind.
That not what hippos do.

Repeat Chorus

HUMP-TY DUMP

Motions:
Slap thighs,
Clap hands,
(Repeat for the entire song)

Chorus
Hump-ty Dump
Hump Hump De Dump-ty Dump-ty

Humpty Dumpty sat on a wall
Humpty Dumpty had a great fall
All the king's horses and all the king's men said:
OOH! AIN'T THAT FUNKY NOW!

Repeat Chorus

Little Jack Horner sat in a corner
Eating his pudding pie
He stuck in this thumb,
and pulled out a plumb and said:
OOH! AIN'T THAT FUNKY NOW!

Repeat Chorus

Little Miss Muffet sat on her tuffet
Eating her curds and whey
Along came a spider, who sat down beside her and said:
OOH! AIN'T THAT FUNKY NOW!

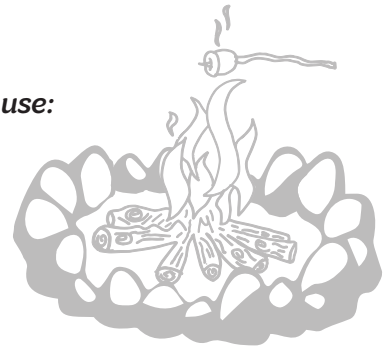
Repeat Chorus

S'MORES

S'mores, s'mores, more s'mores,
First you roast a marshmallow, crispy and hot,
Take a graham cracker and some dark chocolate,
Put it all together and what have you got?
S'mores, glorious s'mores!
We need some more...

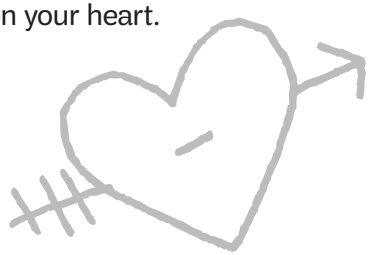
Repeat. The last time through, use:

We need some more s'mores!



WHEN E'ER YOU MAKE A PROMISE

When e'er you make a promise,
Consider well its importance,
And when made
Engrave it upon your heart.



THE POLAR BEAR SONG (40 YEARS ON AN ICEBERG)

This is a repeat-after-me song!

Forty years on an ice berg,	*(hold up the number 4)*
Bumping along with the tide,	*(jump up and down, while wiggling head from side to side)*
Nothing to wear but pajamas,	*(motion to the whole body)*
Nothing to do but slide,	*(slide from one side to another)*
I think it's getting cold out,	*(shiver and rub hands together)*
The wind is beginning to bite,	*(hold one arm out and bring other arm around ending in a clap)*
I think I will go out,	*(extend arm and point away)*
And hug 4 polar bears tonight.	*(girls should hug that many people)*

Repeat this song saying decreasing numbers each time
The last time through, use:

I think I will go out,	*(extend arm and point away)*
And hug myself good-night.	*(the girl gives herself a hug)*

Herman the Worm

Sitting on the fence post chewing my bubble gum
(make a smacking bubble gum sound)
Playing with my yo-yo
(say "woo woo!")
When along came Herman the Worm
And he was this big
(on "this big," measure a tiny worm between fingers)
And I said "Herman what happened?"
And he said "I ate my sister."

Repeat making the worm bigger each time and changing sister to brother, mother, father.

Playing with my yo-yo

And I said "Herman what happened?"
And he said "I burped!"

LINGER

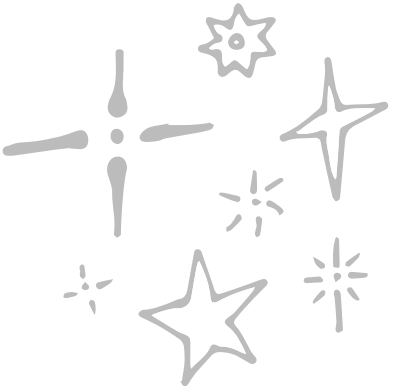
Mmhmm, I want to linger,
Mmhmm, a little longer,
Mmhmm, a little longer here with you,

Mmhmm, it's such a perfect night,
Mmhmm, it doesn't seem quite right,
Mmhmm, that this should be my last with you.

Mmhmm, and comes September,
Mmhmm, I will remember,
Mmhmm, our Scouting days and friendships true.

Mmhmm, and as the years go by,
Mmhmm, I'll think of you and sigh,
Mmhmm, this is good night and not good bye.

Mmhmm, I want to linger,
Mmhmm, a little longer,
Mmhmm, a little longer here with you.



BARGES

Out of my window, looking in the night,
I can see the barges flickering lights,
Starboard shines green and port is glowing red,
You can see them flickering far ahead.

Chorus
Barges, I would like to go with you,
I would like to sail the ocean blue.
Barges, have you treasures in your hold?
Do you fight with pirates brave and bold?

Out of my window, looking in the night,
I can see the barges flickering lights,
Silently flows the river to the sea,
And the barges, too, go silently.

Repeat Chorus

On My Honor

Words and Music by Cindy Dasch

Chorus
On my honor, I will try.
There's a duty to be done and I say "aye".
There's a reason here for a reason above.
My honor is to try and my duty is love.

People don't need to know my name.
If I've done any harm, then I'm to blame.
If I've helped anyone then I've helped me.
If I've opened up my eyes to see.

I've tucked away a song or two.
When you're feeling low, there's one for you.
If you need a friend, then I will come.
And there's many more where I come from.

Repeat Chorus

Come with me where a fire burns bright.
We can even see better by candle's light.
We can find more meaning in a campfire's glow,
Than we ever learned in a year or so.

We've made a promise to always keep.
And the day is done before we sleep.
We'll be Girl Scouts together, and when we're gone,
We'll still be trying and a singing this song.

MAKE NEW FRIENDS

Make new friends,
but keep the old.
One is silver
and the other is gold.

A circle is round;
it has no end.
That's how long
I want to be your friend.

A friend like you
is one of a kind.
Very special
and hard to find.

You have one hand,
I have the other.
Put them together,
and we have each other.
