- Time: 10 minutes

Materials Needed: Eggs; cleaning supplies; (optional) prize for winner

1. Have girls find a partner and line up facing each other, toe to toe.
2. Explain that you will be giving each pair an egg. They must toss the egg back and forth without dropping it. Each time they successfully toss and catch the egg, they must take one step backward. This earns the pair one point. Tell the girls they must keep track of their own points.
3. Hand each pair an egg and tell them they can begin. If you have a larger group, you may want to have some pairs sit and watch first, and then switch.
4. (Optional) Have a championship round between the top two pairs.
