

BE YOURSELF.

Be a Girl Scout leader.

CONNECT WITH YOUR DAUGHTER IN A NEW WAY.

By leading a Girl Scout troop, you're in for a special shared experience as you learn and explore with your girl and her friends. Girl Scouts is something the two of you can do together. You'll not only strengthen your bond with her, you will also get to know her peers and their parents better too!

YOU'VE ALREADY GOT WHAT IT TAKES.

As a troop leader, girls will benefit from your unique strengths and skills. You'll get to facilitate your troop's experiences in ways that make sense to you and give you joy. Your passion for nature, math, performing arts, or something completely different, will inspire girls and open their minds to something brand new!

WE'LL SUPPORT YOU EVERY STEP OF THE WAY.

We've got lots of resources for our troop leaders like planning documents for all sorts of activities and support staff who dedicate their time to giving advice to volunteers like you. With all that covered, you'll be able to focus most of your time on the important stuff like having fun with your girls!

Sign up to be a troop leader today and help these girls become the best people they can be – themselves!
