Safe Seller Tips

- Show you're a Girl Scout**
Wear the Girl Scout membership pin, vest, sash, or other Girl Scout clothing to identify yourself as a Girl Scout.
- Buddy Up**
Always use the buddy system. It's not just safe, it's more fun.
- Be Streetwise**
Become familiar with the areas and neighborhoods where you will be selling cookies.
- Partner with Adults**
Adults must accompany Girl Scout Daisies, Brownies, and Juniors when they are taking orders, selling cookies, or delivering cookies. Girls grades 6-12 must be supervised by an adult when selling door-to-door and must never sell alone. Adults must be present at all times during cookie booth sales.
- Plan Ahead**
Be prepared for emergencies and always have a plan for safe guarding money.
- Do Not Enter Any Homes or Vehicles**
Never enter someone's home or vehicle of a person when you're selling or making deliveries. Avoid selling to people in vehicles, except at designated drive-thru cookie booths, or going into alleys.
- Sell in the Daytime**
Sell only during daylight hours, unless accompanied by an adult.
- Protect Privacy**
Girl's last names, home addresses, and email addresses should never be given out to customers. Protect customers' privacy by not sharing their information except when necessary.
- Be Safe on the Road**
Always follow safe pedestrian practices, especially when crossing at intersections or walking along roadways. Be aware of traffic when unloading product and passengers from vehicles.
- Be Safe Online**
Girls must have their parents'/guardians' permission to participate in all online activities, and must read and agree to the GSUSA Internet Safety Pledge before conducting any online activities.

Be sure to check Girl Scouts safety resources and guidelines — available for download at girlscoutcookies.org/troopleaders.

NOTE: These ingredient lists are a general guideline only to assist consumers when ordering cookies. It is important for consumers with allergies or other health concerns to carefully read the labeling on the cookie package when it is received and prior to consumption of the product.
